Why is it called "TATTOO"?

In 17th Century Dutch villages, drummers marched through the streets summoning British Soldiers to return to their quarters from the taverns and inns. A drumbeat signaling innkeepers to "doe den tap toe" or "turn off the taps" was shortened to "Tattoo". The phrase now heralds the amazing entertainment highlighted by marching bands, hundreds of musicians, acrobats, dancers and military competitions.

Reserved Seats to the International Tattoo Festival
