## THE BREATHTAKING AND RECORD-BREAKING HIT OF THE DECADE

Once upon a time in the Land of Oz, there was a girl and her dog - no, scrub that. This musical takes place way before the arrival of Dorothy Gale and her pooch Toto. Wicked is the story of two magically inclined women, one blonde, and one green of skin - and their coming-of-age as the forces of good and (perceived) 'wicked'. Discover the musical phenomenon of the new century when it flies into in , ,

Based on the critically acclaimed novel by Gregory Maguire, Wicked explores the foundation of the Oz legend, of what made Glinda and Elphaba become the icons of good and bad, and whether all is what it appears to be in later stories.

Wicked is the smash hit of the new millennium that still continues to break records over 15 years later with Stephen Schwartz's breath-taking original songs, including 'Defying Gravity', 'Popular' and 'As Long As You're Mine', creating the perfect soundtrack to this beloved new classic.

## THE START OF A WONDERFUL ADVENTURE!

Thrown together as unwilling roommates at The University of Shiz, initially the beautiful, blonde and effervescent Glinda clashes with the fiery, misunderstood, green-skinned Elphaba. Facing various challenges in their experiences they learn to put their differences aside and form an unexpected bond that stays with them for years to come, despite the political and magical upheaval that engulfs Oz. What makes someone truly "Wicked?"

An uplifting and affirming adventure that journeys way below the skin, and the heart of life.
