Toby Keith came out from nowhere to become one of the major success stories of country music in 1993 with his debut single "Should've Been A Cowboy." The singer rode in from Oklahoma armed with some of the strongest material that the city had seen in quite some time. That helped his self-titled album to be certified Platinum – a sure sign of what was to come in his career.

In the twenty-four years that have passed since that debut, Keith has provided fans with songs to fit just about every emotion – love, happiness, pain, loss, and even a little bit of rage at a time where others in the United States were feeling the same emotion. His long list of hit songs include "American Soldier," "Courtesy of the Red, White and Blue (The Angry American)," "I Wanna Talk About Me," and "Red Solo Cup."
