HAWAII - February 24-March 11, 2021

Do you really want to spend February in Ohio? Join JB Tours of Ohio for a 15-day Hawaiian Islands Cruise on the STAR PRINCESS with meals, activities and entertainment included. Relax or be as active as you want. The choice is yours. Trip includes five Ports-of-call. Start the adventure at Detroit Airport after your home pickup. Fly into Los Angeles airport where transportation takes you to San Pedro Port for embarkation. Enjoy cruising the rest of **Day one, two, three, four and five.**

Day 6, Honolulu, Hawaii – Feb 18

Home to nearly half a million people, Honolulu is Hawaii's state capital and the major city. Visit Pearl Harbor, site of the USS Arizona Memorial and the "Punchbowl," are haunting reminders of the tragic events of December 7, 1941, when the Japanese surprise attack on Pearl Harbor forced America into World War II.

Day 7, Kauai, Hawaii – Feb 19

The fourth largest island in the Hawaiian group, Kauai is known as the "Garden Island." The terrain ranges from the volcanic slopes of Mt. Waialeale and the desert-like beauty of Waimea Canyon to the Wailua River's lush Fern Grotto.

Day 8, Maui, Hawaii - Feb 20

Maui has always occupied a special place in the hearts of Hawaiians. The great warrior King Kamehameha, who united the island under his rule, chose to make Lahaina his capital and Ka'anapali was once the favorite playground of Hawaiian royalty. Mt. Haleakala, a dormant volcano, rises 10,000 feet above the Pacific Ocean. Maui's Iao Valley is a tropical paradise dominated by the Needle, a volcanic monolith towering over the valley floor. Haleakala means "The House of the Sun". To the Hawaiians, it appeared that the sun both rose from and set in the depths of its massive crater. Today, the centerpiece of Haleakala National Park, it is one of Maui's major attractions.

Day 9, Hilo, Hawaii – Feb 17

Welcome to the Big Island – a paradise of black-sand beaches, tropical rainforest and volcanic mountains. Mauna Loa, the largest mountain on the planet, soars above the bleak lava fields of Hawaii Volcanoes National Park. In the heart of the Big Island's lush rainforest lies the remote and stunning Wai'po Valley (Valley of the Kings). The landscape of the Big Island ranges from black-sand beaches to tropical rain forest to the alpine terrain of Mauna Loa and Mauna Kea.

Day Ten, Eleven, Twelve, Thirteen and Fourteen gives you plenty of time to enjoy your new friendships and explore many more things on the ship.

Day 15, Ensenada, Mexico – Feb 26

Ensenada is located 70 miles south of the international border. Visitors are drawn to Ensenada's warm Mediterranean climate.

Disembark at Port of San Pedro on **February 27** for transfer to Los Angeles Airport. Sit back and enjoy the non-stop flight to Detroit where transportation will be waiting to take you to your home. How easy was THAT?? To be part of this mid-winter getaway, call JB Tours of Ohio to have a "tour-riffic" time! 419-435-8165.
