Florida and Beyond with JB Tours January 31 – February 7, 2022

Manatees are naturally curious and are as affectionate and playful as a golden retriever. The water warmed by Crystal River's natural geothermal springs attracts the largest concentration of manatees in the world. Join JB Tours for this unforgettable trip.

Enjoy an overnight stay in Tennessee with a private dinner Jimmy Buffett style.

Arrive at the Plantation on Crystal River for a 5 night stay. The Plantation is a beautiful 50 year old, 232 acre, eco-friendly resort and is surrounded by the natural springs of Kings Bay. This bay is one of the largest aquifers in the state, and home to hundreds of West Indian manatees that migrate each year to the warmth of the springs.

Enjoy a river ride at Kings Bay. Sail around the Crystal River National Wildlife Refuge and look for local Wildlife as the captain shares the history of the area. Enjoy shopping time at Heritage Village before departing for Homosassa Springs Wildlife State Park. Visitors can see West Indian manatees every day from the park's underwater observatory.

Depart for a touch of "old Florida". Also enjoy the award winning healthier wine at the Whispering Oaks Winery. Then depart for Wild Bill's Airboat Tour on the Withlacoochee River.

This day is a free day to enjoy all the wonderful activities the resort has to offer. Among these: River Tours, Swim with the manatees, Boat Rental, Visit the beach. Just to name a few.

Enjoy Weeki Washee Springs State Park and Tarpon Springs. Finish the day with a sight-seeing boat cruise.
