The four-part harmonies and upbeat songs of The Oak Ridge Boys is one of the most distinctive and recognizable sounds in the music industry. Every time they step before an audience, the Oaks bring four decades of charted singles, and 50 years of tradition, to a stage show widely acknowledged as among the most exciting anywhere,

.One of the longest-running groups in country music, **the Oak Ridge Boys** started life as a gospel quartet before gradually modernizing their style and moving into secular country-pop. Yet even at the height of their popularity in the late '70s and early '80s -- when they were big enough to cross over to the pop charts -- their sound always remained deeply rooted in country gospel harmony. Their existence dates all the way back to World War II, circa 1942-1943, when a Knoxville, Tennessee group began performing gospel songs in nearby Oak Ridge, the home of an atomic bomb research facility. The group's members also performed in a larger aggregation called **Wally Fowler & the Georgia Clodhoppers**, which recorded for Capitol. However, lead singer **Fowler** decided to focus on gospel music in 1945. Dubbed **the Oak Ridge Quartet**, the group first appeared at the Grand Ole Opry that year and made their first recordings in 1947 with a lineup of **Fowler**, **Lon "Deacon" Freeman**, **Curly Kinsey**, and **Johnny New**.

The Oak Ridge Boys were inducted into the Country Music Hall of Fame in 2015. Early 2018 saw the release of the single "Brand New Star" ahead of the arrival of the **Dave Cobb**-produced full-length **17th Avenue Revival**, which dropped later that March.
