Hamilton:

An American Musical is a sung-and-rapped-through musical by Lin-Manuel Miranda. It tells the story of American Founding Father Alexander Hamilton. Miranda said that he was inspired to write the musical after reading the 2004 biography Alexander Hamilton by Ron Chernow.

What is the main message of Hamilton?

“Hamilton” also speaks about whether the world is wide enough for all of us with different stances and beliefs to live and thrive in. It is a story that speaks about legacy and what we want it to be for our future generations and what path are we willing to take to make that possible
