"where there are no strangers ...
only friends who haven't met yet"

Let's take a step back and enjoy a slower pace on this early fall day. This trip incorporates something for everyone.

First stop we will tour at the Honda

Heritage Center is museum showcasing Honda's historical, current, and future cars, motorcycles, racing, Honda Jet, and the NSX.

We will continue our drive thru the countryside past the covered bridges in Union County. We can guarantee the Pottersburg Bridge will become everyone's favorite.

We will enjoy a leisurely lunch at this beautiful bridge. Top it off with great conversations & entertainment which only compliments the perfect setting.

As we head for home we think this day deserves a little more relaxation. As we continue our adventure towards home we need to make sure you get the maximum relaxation out of this day.

A stop out of town at The Dalton Union Winery and Brewery is a must. You will enjoy six tastings of delicious wines, craft beer, mead, or cider.
